WHERE/IF OFFERED: It is strongly recommended that any participants not confident with this activity sign up for lessons offered (if/as available) by the troop's volunteers. However, anyone who signs-up for a lesson is expected to attend it. Accordingly, we request that parents and their scout(s) discuss the advisability of taking a lesson, ensure those that should take a lesson do so, and those that sign up for a lesson are prepared and committed to attend said lesson.

**As ALWAYS:**

***Please ensure that participants are properly equipped for this campout. An ill prepared Scout is an unhappy camper.***
